Forecast for Monday 13 Nov 2023

Weather: Heavy rain, accompanied by increasingly strong winds, reaching gale at times, pushing northeastwards and mostly clearing by early to mid-morning, leaving mostly dry conditions with sunny spells, however remaining windy. Scattered showers developing later in the afternoon, turning heavy, winds gradually easing.

Chance of cloud-free hill tops above 600m: 20-30% at first, soon improving to 90%

Low cloud and visibility: Scattered or broken cloud base 500-700m at first, soon clearing through the early part of the morning. Visibility moderate or poor in heavy rain, otherwise good.
